Sprint 1 Plan: GroupThink

Team: Sean Dougher, Michael Gates, Ryan Monroe, Savanna Jordan
Sprint Completion Date: 10/19/16
Revision Number: 0, Revision Date: 10/4/16

Goal: GroupThink facilitates team formation for the purpose of developing and collaborating on group projects in an educational environment.

Tasks:
- *As a user I want a simple UI for easy readability*
  - *Create a basic HTML page (design/functionality) 6 Working Hours*
  - *Total Working hours: 6*
- *As a user I want to login so that I can access my class*
  - *Learn database manipulation (4 Working Hours)*
  - *Create a database for classes (1 Working Hours)*
  - *Create a login page in HTML/web2py (4 Working Hours)*
  - *Total Working Hours: 9*
- *As a user, I want the ability to create a project so that other people in the class can view my project*
  - *Creating a database for projects (1 working hours)*
  - *Create a webpage for the projects (2 working hours)*
  - *Display information to the page (2 working hours)*
  - *Total Working Hours: 5*
- *As a user, I want a profile so I can edit my information and it is available to other users*
  - *Create a database of users (1 hours)*
  - *Set up profiles for users (2 hours)*
  - *Total Working Hours: 3*
- *As a user I want to be able to view all current projects*
  - *Display information to a specific page (2 hours)*
  - *Total Working Hours: 2*
- *As a user I want to be able to view all member profiles in my class*
  - *Display information to a specific page (2 working hours)*
  - *Total Working Hours: 2*
- *As a user I want to be able to be in multiple classes so that I can use GroupThink with more than one group Project*
  - *Ensure that each class has a unique ID in the database (2 Working Hours)*
  - *Total Working Hours: 2*

Team Roles:
